SUBMITTING REBATES

Rebate applications are submitted via the Rocky Mountain Power Rebate Portal. Customers may apply for the rebate on their own, or trade allies can submit rebate applications on behalf of the customer.

What is needed to apply for a rebate?

- A completed invoice that includes:
  - o Model/serial numbers
  - o Cost for the installation
  - o AHRI number when applicable
- When submitting on behalf of a customer, trade allies will also need a copy of the customer's Rocky Mountain Power bill, containing:
  - o Customer's address
  - o Customer's Rocky Mountain Power account number
